

May 20, 2020

Greetings all,

Many casinos in Washington State are currently open or are reopening this week. We wanted to give you an update on **The Point Casino and Hotel** reopening plan.

The Port Gamble S’Klallam Tribe, Noo-Kayet Development Corporation and The Point Casino & Hotel leadership remain committed to providing a safe environment. The health and safety of our team members, guests, and community are our top priorities. With this in mind, **The Point Casino and Hotel will plan to reopen for limited business operations on Monday, June 1, 2020 at 10:00AM.**

Our 11-Point safety plan for reopening on June 1, 2020 includes:

- All team members will be tested for COVID-19 prior to reopening and will continue to be tested after we open;
- The Casino will reopen daily from 10AM-2AM. The Hotel will be open and operational at limited occupancy;
- Additional cleaning and sanitation protocols have been implemented in the casino and hotel;
- Thermal cameras have been installed at all entrances to monitor guests’ temperatures;
- Slot machines will be reduced and spaced accordingly to help maintain social distancing. Some slot machines may not be available in our efforts to adhere to these measures;

- Table games, The Cutter Club cigar room, The Bistro and The Boom Room will remain closed until further notice;
- We will have “Safety Ambassadors” at the main entrance and on the casino floor assisting guests and monitoring protocols with safety as the highest priority;
- The Market Fresh Restaurant will offer menu-service Sunday – Thursday (10AM-8PM) and Friday and Saturday (10AM-10PM). The Point Julia Café will offer grab-and-go items and be open daily (7AM-12AM) and the Pizza Pit Stop will be open daily (10AM-2AM) offering mini-pizzas and whole pies;
- We ask that guests practice social distancing guidelines of 6 feet while at The Point (If not in same party). Due to the limited capacity, guests may be required to wait at certain times to enter the casino;
- We require guests to wear a mask while visiting. Guests can wear their own masks or disposable face masks, gloves and hand sanitizers will be available at the casino front entrance and at the hotel front desk for guests staying at the hotel;
- The parking area and entrance behind the casino will be closed to guest traffic until further notice.

We appreciate your support and understanding during this difficult time. We look forward to seeing you soon. Stay safe and strong.

Thank you,

Sam J. Cocharo
